Self-Medication Agreement

Students who are developmentally and/or behaviorally able, will be allowed to self-administer prescription and non-prescription medication, subject to the following:

- 1) An Authorization for Medication form with the self-administer box checked must be submitted for all self-administration of prescription and non-prescription medication
- 2) All prescription and non-prescription medication must be kept in its appropriately labeled original container as follows:
 - a) Prescription labels must specify the name of the student, name of the medication, dosage, route and frequency or time of administration and any other special instructions.
 - b) Non-prescription medication must have the students name affixed to the original container.
- 3) With the exception of inhalers, the student may have in his/her possession only the amount of medication needed for that day.
- 4) Sharing and/or borrowing of medication with another student are against school district policy, and will be treated as a drug infraction.
- 5) Permission to self-medicate may be revoked if the student violated school district policy governing administration of non-injectable medication and or these regulations. Additionally, students may be subject to discipline, up to and including expulsion, as deemed appropriate.
