Adopted: 11/10/25

Pediculosis (Head Lice)

A student with a suspected case of head lice may be referred to designated trained staff for a screening. The screening will be done in a confidential manner by trained personnel.

School personnel will notify the parent or guardian of a student found with head lice and may provide information on treatment. The parent or guardian will be notified and directed to pick up the student. Should the parent or guardian be unable to pick up the student, the student will not be sent back to the classroom in order to minimize contact that might impact other students. Students will still ride the bus home if parents/guardians are unable to pick them up at the end of the day.
