Deen gave a brief update on the Emergency Hand Book, stating that Bend La-Pine SD was working on one and he had decided to hold off further work on our handbook until he had a chance to review their version. Redmond Safety per son was also working on a handbook, so he was hoping to review that one as well. Deen also stated that Superintendent Yecha was hoping to have a new version of the Emergency Handbook in place by the beginning of the next school year.
