

Weekly Parent Update August 21st, 2020

REOPENING HEALTH METRICS

The Oregon Health Authority sent updated Covid-19 metrics Tuesday morning. We have good news. We are now on track to have three weeks in a row of low metrics, which is required by the state for reopening K-3. We'll review the data early next week and provide an update on the ability for K-3 to open in person. [View our updated Covid-19 Metrics here.](#)

STUDENT REGISTRATION

If you haven't registered your children for the upcoming school year, we encourage you to do so very soon. Either call your child's school directly for help, or you can login to your ParentVue account to complete the registration process.

[Check out Student Registration page on the website.](#)

SCHEDULES & TEACHER LISTS AUGUST 31ST

Many parents are asking who their child's teacher will be for K-5, when schedules will be released, and what electives might be available at CCMS or CCHS. Our principals and teachers are starting from scratch and building new schedules given Covid-19 closures and new requirements that were recently released by the

Oregon Department of Education. They are working on those schedules now everything will be finalized by Monday, August 31st for all grade levels. Thank you for your patience.

SIGN UP TO RIDE THE BUS!

Will your child be riding the bus when students are allowed back in the classrooms? If so, we need this information to help develop our routes, so please fill out this [CCSD School Bus Rider Registration](#) as if school is starting in-person as normal. If you need a paper form, please call our Transportation Department at (541) 447-7789.

FREE & REDUCED LUNCH

Your Nutrition Services Department will be providing the same meal service as we did last spring while students are learning online. That means our buses will be showing up at many locations across the county with meals five days per week. We'll announce the final schedule next week. If you'd like meals this year, please fill out [this simple application](#) on our website.

If you have any questions about the upcoming school year, please contact the school where your child attends and someone can help answer your questions!

Barnes Butte Elementary Grades K-5	(541) 416-4150
Brothers Elementary Grades K-8	(541) 416-4160
