

August 4th, 2020

Dear Valued Parents,

Registration for the 2020-21 school year is now open!

We started the process early to provide you with more time to consider the educational options for your children and update your contact information in ParentVue. Registration is required for all students, whether they are returning or are new to the Crook County School District.

- If you have a ParentVue account, [click here](#) to start the registration process
- If you can't remember your login and need help with ParentVue, [click here](#).
- Parents who need to register a new student should call each school directly, [click here](#).

We've added a drop-down menu in ParentVue so you can choose the educational model you'd prefer for your child. Check out [this YouTube video](#) that walks you through the process.

It's extremely important that you update your **email and phone numbers** in ParentVue. Based on the Parent Survey, a significant majority of you asked that we use email and text for sending out communications from the school district. In order to receive text messages, please update the following:

- Type of phone: landline, mobile, work, message phone
- Make sure you **choose the mobile option** to receive text messages
- Phone Call Communication: Yes or no
- Text Communication: Yes or no

The screenshot shows the ParentVue registration interface. On the left is a navigation menu with options: Family, Parent/Guardian (selected), Emergency, Students, Documents, and Review/Submit. The main content area has a blue header for 'Instructions' with text explaining Oregon law and the school's use of an automated phone messaging system. Below this is the 'Phone Numbers' section, which contains a table with columns for Line, Primary, Type, Phone, Extension, Phone Communication, and Text Communication. Line 1 is selected as the primary phone, and its 'Type' is set to 'Mobile'. Line 2 is currently blank. Below the table is an 'Add New' button and an 'Email Address' input field.

Line	Primary	Type	Phone	Extension	Phone Communication	Text Communication
1	<input checked="" type="checkbox"/>	Mobile	() -		Yes	Yes
2	<input type="checkbox"/>		() -		No	No

For students in Kindergarten – 8th grade, there is also the option of enrolling in our new *Homeschool Partner Program*. As mentioned in our Weekly Parent Update on Friday, Mr. Jonny Oelkers is the new coordinator and can answer questions you have and assist you with student registration. You can contact Jonny by phone or email:

- (541) 416-3670, ext. 3670
- Jonathan.oelkers@crookcounty.k12.or.us

For parents who still aren't sure about the educational options they want for their child, we encourage you to call the school your child will be attending. Principals are back in the buildings and they can help walk you through the choices. Here are the phone numbers for each school:

Barnes Butte Elementary Grades K-5	(541) 416-4150
Brothers Elementary Grades K-8	(541) 416-4160
Crook County High School Grades 9-12	(541) 416-6900 – Ext. 3113
Crook County Middle School Grades 6-8	(541) 447-6283
Crooked River Elementary Grades K-5	(541) 447-6488
Paulina Elementary Grades K-8	(541) 416-4170
Pioneer Alternative High School Grades 9-12	(541) 447-1268
Steins Pillar Elementary K-4	(541) 416-4230

Best regards,

Communication & Community Engagement Specialist
