Describe why you would want to serve on the Facilities Committee:

By applying for the committee I understand it will be at least 80 hours of work combined in meetings, building tours, and sub-committee time over the next year. I understand the committee's work will be subject to the Open Public Meeting laws and that committee members will be required to follow the ethics and conflict of interest regulations of the State of Oregon.

I have read and reviewed the attached statutes (ORS244.020-Definitions and ORS244.040-Code of Ethics) and agree to abide by these laws while serving on the Crook County Long-Term Facilities Review Committee
