August 25, 2021

Hello, parents/guardians of students at Pioneer High School:

You are receiving this letter because your child finished the 2020-2021 school year as a Pioneer student, or the district has approved your request to enroll your child as a new student at Pioneer. If you have not yet registered your child for Pioneer or any other school, and need assistance with registration, please feel free to call us or stop by the school.

The first day for all Pioneer students is Wednesday, September 8, 2021.

Like the rest of the schools in the district, Pioneer will be operating under a trimester model this year. Our grading days, parent conferences, and other events will therefore occur at different times of the year than in the past. The district's annual calendar with these key dates is available online at <https://www.crookcountyschools.org/about/calendar/> or you may pick up a copy at our front office.

Our daily schedule has changed as well. The school day for students starts later and goes a little longer than last year. We have included a copy of the schedule with this letter.

Another change at Pioneer is our use of the space within the building. All of our classrooms now will be at the east end of the building, or to the right as you enter. Our main entrance and front office location have not changed, but the classrooms to the west (left) of the entrance are now home to the District's nutrition services department and the Grizzly Mountain HomeLink program.

Other information about Pioneer, such as our student/parent handbook and supplies list, is available online through the District's website (including the Pioneer school homepage) or in-person at our front office.

Thank you,

Pioneer High School staff
