Advantages of Employment

Oregon Public Employee Retirement System

Your PERS retirement benefits are an important part of your employee compensation package. Crook County School District contributes the equivalent of 12% of your annual salary each year toward your PERS retirement accounts. It's like earning an additional \$3,000 each year. Also, you can earn up to 60% or more of your final average salary when you retire.

Health Insurance Benefits

Crook County School District contributes up to \$1,420 per month to provide health insurance benefits. Those who choose to opt out of health insurance are eligible for a \$350 monthly stipend, which equals over \$17,000 annually.

Paid Time Off

Our employees receive paid sick leave, personal leave, and our year-around classified employees receive paid vacations. Our employees can choose to spread their wages over a 12-month period so they can receive paychecks during the summer.

Other Benefits Available

- Enjoy time off when your children are home from school
- Bus drivers working 30-hour weeks are considered full time
- Professional development opportunities for all employees
- Work for a winning team with outstanding leaders!
