

The Mustang Memo

May 11, 2022

Issue #30

541-447-6488

New Assistant Principal for 2022-23

As we have previously shared, Mr. Stefanek will be transitioning to the middle school in the Fall. We will certainly miss him! I am happy to share with you that we have hired a terrific replacement. Natalie Conway will be joining our staff in August. She is coming to us with 17 years of experience and rich knowledge in instructional practices. She did an internship with us earlier this year, so she is already known to the staff. Welcome, Natalie!

State Testing has Begun

From now, through May 27th, our 3rd, 4th, and 5th-grade students will be taking end-of-the-year state tests (periodically). Please continue to encourage your students to do their best. Be their cheerleaders. This is each student's opportunity to shine by showing us what they have learned over the course of the year. These tests are not meant to be stressful. Thanks for your continued support. Adequate sleep is so, so helpful. 🧘
